ADVANCED SMILE DESIGN

Semi-Annual Newsletter | Issue 8 | December 2009

*Merry Christmas
& Happy New Year
from Dr. Saigh
and the Advanced
Smile Design Staff*

Community Events

On October 23rd our hygiene Department went to the West Iron County Elementary school to educate the children for the Dental Hygiene Month!! Our hygienist, Kerry Rivard and her assistant, Wendy Koski went for the day, visiting the classrooms from Tot-Lot to 4th grade. On the 30th of October was when Forest Park was then visited. At Forest Park the Pre-K thru 5th grade was visited! Kerry also went over the good foods to be eating the ones that promote tooth decay. Dr. Saigh donated zipper pouches with a toothbrush, toothpaste and floss which was given to each student. The students thought that it was great that the pouch could also hold their pencils!! It was a fun day for Kerry and Wendy as well as the students we hope to continue this event every year.

Did you know?

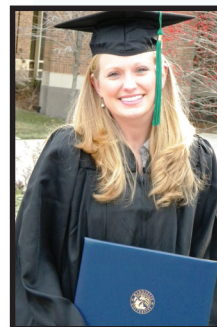

Studies show that kids who chew sugarless gum have less cavities! Chewing gum increases the flow of saliva which decreases acidity in the mouth. The act of chewing gum helps clean plaque build-up.

CONGRATULATIONS LINZI!

The Saigh family is very proud to announce that Linzi Saigh graduated on December 20, 2009 with a Bachelor in Science Degree from Marquette University in Milwaukee WI.

Continuing education

Our office attended a seminar in Minnesota, this seminar taught us how to better serve our patients and gave us a better understanding on how to more efficiently run our office. The whole staff benefited from the lector and we are implementing the new knowledge into our office so that we can deliver a higher quality of dental care to you our patients!

On the Lighter Side

Dentists can be frustrating. You wait a month-and-a-half for an appointment, and they say, "I wish you'd come to me sooner."

Words of wisdom

Christmas is forever, not for just one day, for loving, sharing, giving, are not to put away like bells and lights and tinsel in some box upon a shelf. The good you do for others is good you do yourself....

Norman Wesley Brooks,
"Let Every Day Be Christmas" 1976

Our Mission Statement

We, at the Advanced Smile Design, are committed to providing our patients with State-of-the-Art dental excellence. We will strive to expand our knowledge through ongoing and continuing education. We will treat each patient with the utmost respect, dignity, caring, and compassion; striving to earn our patients' trust and confidence.

we welcome New Patients!

We always make room for your friends and referrals. So if you are happy with your dental care tell a friend!

(If that friend becomes a new patient you will receive an appreciation gift.)

Thank You!

We would like to hear your feedback. Let us know what you think of our newsletter and/or our business and services.

Recipes You'll Love!

Prep Time: 15 min
Makes: 16 servings

Cream Cheese-Bacon Crescents

What you need:

1 tub (8 oz) Philadelphia chive & onion cream cheese spread
3 slices oscar mayer bacon, cooked, crumbled
2 cans (8 oz) refrigerated crescent dinner rolls

Make it!! Heat oven to 375°

Mix cream cheese spread and bacon until well blended. Separate each can of dough into 8 triangles. Cut each triangle lengthwise in half. Spread each dough triangle with 1 generous tsp. cream cheese mixture. Roll up, starting at shortest side of triangle; place, point-sides down, on baking sheet.

Bake 12 to 15 min. or until golden brown. Serve warm.

Healthy Kids Program

We provide dentistry from the heart on a daily bases. Advanced Smile Design is the only private dental clinic in a 60 mile radius that accepts this program. The Healthy Kids Program was

established by the state of Michigan to provide insurance to children of working parents whose jobs do not offer insurance packages. Here at Advanced Smile Design our staff thinks that it is important to keep the mouths of the children in our community healthy. We are always accepting new patients, call 906-265-0050 and our office staff will be happy to put your family on our schedule.
